Training Facility

We recommend **La Quinta INNS & SUITES, York.** La Quinta INNS & SUITES is brand new and includes a FREE Bright side Breakfast featuring hot waffles, cereals, oatmeal, fresh fruit, yogurt, coffee and juice. The Hotel is centrally located to restaurants and shopping centers. Winter Engine Has arranged a special corporate rate for our students. Let the desk know your Techs are attending Service School at Winter Engine when booking your reservation to ensure the special rate is applied.

Our multifaceted Training facility is designed for comfortable classroom presentation as well as practical hands-on instruction within the residential / industrial training lab located inside of Winter's 40,000 sq. ft. Facility.

Winter Engine's Kohler factory certified trainers lead Residential /Industrial students through the basics of generator operation, installation, service and trouble shooting.

Training
